

CHRIST CENTERED

St. Charles Catholic High School, the only Catholic high school in the River Parishes, serves the youth and families of the area by providing a quality education in a supportive, Christ-centered environment. An enthusiastically committed and dedicated faculty and staff, in partnership with caring parents, inspire students to achieve high academic standards, to excel in extracurricular activities, to grow in leadership skills, and to integrate Catholic values in all endeavors. St. Charles Catholic believes that our primary concern is the Catholic education of our students. In our service to the young men and women of the River Parishes, we provide an atmosphere which stresses Catholic values while challenging students to become self-disciplined, self-motivated, and well-adjusted individuals.

TECHNOLOGY DRIVEN

Committed to enhancing teaching and learning practices, all teachers and students are equipped with a LENOVO notebook. Through these computers, students and teachers alike are able to participate in learning beyond the confines of a text book. Through our wireless connection, students can access the Internet for research, textbook supplements, and Edline updates. Students register for courses online at the end of each school year. Teachers prepare and update Edline webpages along with GradeQuick, an electronic gradebook. Through the Edline program, teachers and students have constant communication, and parents are kept abreast of assignments, projects, and tests that may be approaching. Grades are also kept online and may be viewed by the students and parents daily.

COMPETITIVE

In the classroom and on the field, Comets succeed. St. Charles Catholic is consistently ranked as the top academic school in the River Parishes. Over the past five years, more than 70% of graduating seniors have earned scholarships and awards. Our students' composite ACT scores rank above both the national and state averages. SCC is in the top five of TOPS earners in the Archdiocese of New Orleans. A group of talented students, as part of the computers applications class, design and maintain the school's website. Within this class, students also produce video highlights of events that are shown over our closed circuit television network.

More than 80 percent of all students at St. Charles Catholic are involved in one or more extracurricular activity. All students are encouraged to participate in the many interscholastic athletic programs offered at SCC including baseball, basketball, cross country, football, golf, soccer, softball, track, weightlifting, swimming, tennis and volleyball.

ADMISSIONS

We thank you for your interest in St. Charles Catholic High School. We are committed to assembling a team of professionals who dedicate themselves to the best teaching practices. As we strive to continue our success as the top spiritual and academic school in the River Parishes, we hope that you would consider us for your educational needs.

Should you like to schedule a tour or receive an admissions packet please contact:
