

# **FCA Boys Summer Camp**

## **Final Parent Bulletin (Wednesday 6/3/09)**

### **Pastalaya Fundraiser**

Our final fundraiser was a huge success with over 400 total sales. Special thanks to everyone who helped make this event a success. Also thanks to our cooks Nolan Marse and Mike Brady for giving us a great meal at such a low cost. They also donated their labor which enabled us to have a nice profit from the meal.

### **Registration & Camp Costs**

Final camp payments are due by Friday June 5, Please send the balance of \$125.00 to weightlifting or bring by the school office. The FCA registration policy for Black Mountain camps is that all camp balances must be paid in full 30 days before the camp begins. Make all checks payable to FCA. Sometimes during June campers will receive mail from the national office that includes a camp enrollment confirmation sheet with financial information and medical consent forms. **The balance amount of money owed may not be accurate depending on the timing of the financial transactions that will take place. If you paid a \$150.00 deposit and the \$125 balance that is all you owe towards the camp fees. SCC will pick up the rest of the fees from our fundraisers.** Please complete the medical consent forms and keep them in a safe place until packing for camp. These papers will be brought by each camper when they leave for camp. You will also need to make a copy of your health insurance card and should pack that photocopy with the medical consents forms.

### **Final Notes & Itinerary**

If you can **not** meet any of the above deadline please contact me and we can make arrangements. A **final** travel itinerary will be given to all campers no later than the first week of June. The final itinerary will also include instructions about spending money, clothes, and travel meals which will be paid by each camper. If you have any questions about anything regarding camp please contact Coach Zeringue at school during the day (985-652-3809) or on my cell (225-229-9924).
