C. PRESIDENT'S EDUCATION AWARDS PROGRAM

The President's Education Awards program was developed to help recognize and honor those students who have achieved high academic goals by their hard work and dedication to learning. Students who meet the criteria, receive both a certificate signed by the President, the U.S. Secretary of Education and Mr. Cupit and a letter of congratulations from the President. The President awards two different awards and we will begin with the President's Award for Educational Improvement (silver certificate)

The purpose of this award is to recognize students who show outstanding educational commitment, or intellectual development in their academic subjects. **P. PRINCIPAL’S AWARDS AND CLOSING
REMARKS.....Mr. Andrew Cupit**

2. Principal’s Leadership Award (plaque)

This is always a tough decision for me because I feel that all of the student’s at SCC are set apart as leaders, by choosing a Catholic high school and a Christian lifestyle. I can commend you all for those decisions. But this evening for the Principal’s award I could only choose one senior to receive the highest leadership award

The deserving student I chose this year has come to me on many occasions to try and be the difference that makes the difference. Through her own personal trials as a young child she has learned that it is not the obstacles we face but it is our response to those obstacles. She has been a wonderful leader at St. Charles Catholic High and it is easy for me to say that she is leaving St. Charles Catholic High School better off then when she arrived, which is a sign of a true leader.

CATHERINE BORDELON

3. Principal's awards(plaque)

The teacher's vote on this award, choosing one male and one female using the following criteria:

- 1.) dedication to SCC as evidenced by the student's willingness to help;
- 2.) Actions exemplify Christian values and ideals;
- 3.) Responsible and mature. The teachers vote on this award (1 male, 1 female)
