**O. PRINCIPAL'S AWARDS & CLOSING
REMARKS**

1. The National Achievement Scholarship Program.....Nylyn OUBRE

The National Achievement Scholarship Program was established specifically to provide recognition for outstanding Black American high school students and to encourage them in their pursuit of higher education. Black students who take the PSAT/NMSQT and meet other entry requirements in their junior year of high school are eligible to compete in this competition. Nylyn was notified of her semifinalist status in the fall. Nylyn and St. Charles Catholic were notified that Nylyn had advanced to the Finalist status and has been recognized as a National Achievement finalist. As you heard earlier this evening, Nylyn has been offered scholarships all over the country because National Achievement finalists are recognized publicly as high performing and academically promising students.
